

MIDDLE YEARS PROGRAMME MYP3 - 2021

CALCULATORS

MYP 3 students are required to use the **Casio FX 82 ES Plus scientific calculator**. Please ensure that the calculator is clearly marked with their names.

LAPTOPS

Laptops are required in the MYP phase. All MYP subjects will require some work to be completed on a laptop. Students will be informed as to when they need to bring these in for a class. It is **highly** recommended that students purchase a **16 GB memory stick** for general school use. All laptops must be able to connect wirelessly to the Internet in order to access web pages, ISHB Managebac and allow students to print to the student copier. Software needs: Word processor, Spreadsheet programme, Presentation software and Adobe Reader.

STATIONERY EXPECTATIONS

All students must have the necessary stationery items for each of their classes. Failure to bring the correct stationery will result in a demerit for Materials not here. This is especially important when subjects require materials vital to the lesson e.g. mathematical sets during a geometry lesson.

HOMEWORK DIARY

It is a requirement that all students have and make use of a Homework diary/planner. Time management and prioritizing is an important ATL skill and the sooner a student can master it, the better for their academic performance. It is also a means of communication between staff and parents.

DICTIONARIES/THESAURUS

It is **strongly recommended** that students purchase their own Dictionary and Thesaurus for English, and dictionaries in their other languages (Afrikaans/French/Spanish).

HBIS MYP3

DESCRIPTION	QTY
GENERAL STATIONERY	
Paper A4 ON 80g Wht 500Rm	1
Pen BP ON Retr Med Blu	1
Pencil HB Faber Gold	1
Ruler Plastic ON Clear 30cm	1
